Subject: Bradford Island - YN G2G Consultation

---

Hi Rose,

As we prepare for our consultation in January, some questions have come up that we would like your input on. Below are some questions/requests.

Thanks,

1. Please let us know what the Council's level of knowledge is with respect to CERCLA and the CERCLA process. What level of detail is appropriate?
2. Will you have an official note taker?
3. Will you produce official meeting minutes? We thought that meeting minutes would be a good way to document commitments.
4. Please provide the address of where the consultation will take place.
